STONE LUXURY

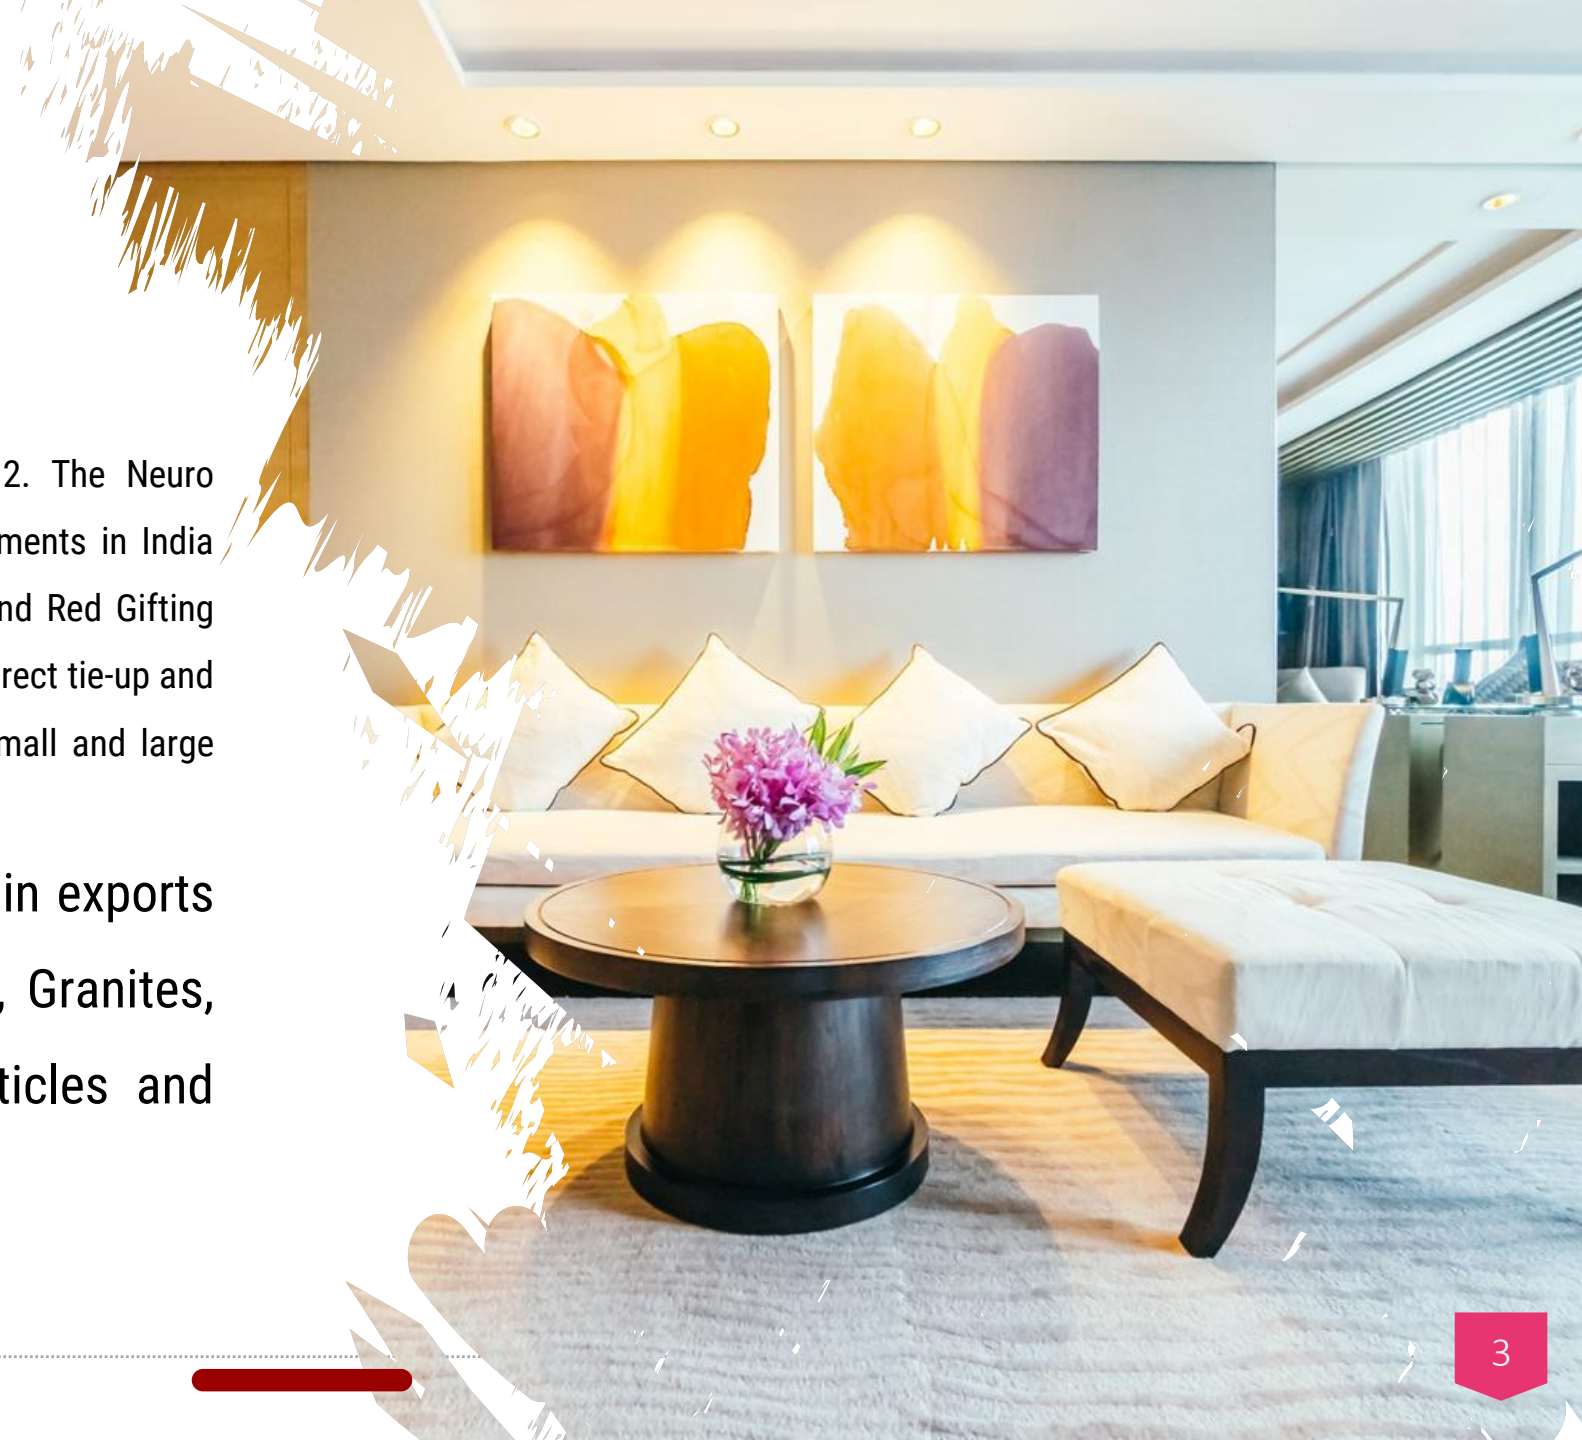
REDGIFTING.COM

WE ENGRAVE OUR PARTNERSHIP ON STONES.

About Us

Promoting Indian artistry, and hard work since 2012. The Neuro Sourcing network has encouraged US$3 Billion investments in India with another US$2billion in pipeline. Currently the brand Red Gifting has over 300 Indian manufacturing companies with a direct tie-up and is providing corporate gifting solutions to over 500 small and large businesses.

Post COVID we have added our focus in exports of all kinds of Stones, Stone Articles, Granites, Marbles, Stone Wares, Gemstone Articles and many more.



STONE ARTICLES

We have handcrafted precious and semi-precious stone articles and experts craftsman who can make almost anything in stone that you can fantasy. Yashasvi has advised clients and funds over $3 Billion in International equity markets and is managing portfolios of $50 Million directly. To pursue his artistic interests, he has shifted permanently to Udaipur in Rajasthan, to help revive the depleting Indian stone industry. With plans to invest about US $5Million in latest machinery for mass production of stone articles and about US $1 Million in exclusive luxury Stone-wares and welfare of the community who have been handcrafting these since generations. Our factory currently has over 80 full time labourers and supplies 40 Tonnes of high-quality stone-wares to over 20 countries.

Marble and Granite

Over 3 decade since the first Marble factory. We have grown enormously. To meet the increased international supply of highest quality Granites after COVID outbreak, We have invested about $3 Million in the latest technology Granite factory boasting of a semi-automated line with production capacity of 300,000 Sq.Mts of granite monthly.

In the heart of Kishangarh in Rajasthan lies our new factory and one of the largest in the area.
